ARMADA D5

THE PERFECT BODY DESIGN

ARMADA D5 design was inspired by body builders, trained to perfection with balanced muscular structure and rich definitions, sharing in making the D5 the miniature reflection to its owner's personality and "Ready for all situations" attitude.

TOUGH As tough as it gets.

D5 is ARMADA's younger super phone D-Series family member, with ARMADA's D-Series super abilities in a 4 inch LCD and extra aggressive, muscular exoskeleton.

FLAWLESS

Ultimate percision, complete perfection.

ARMADA's D5 futuristic design is rich with details and made with superior quality material, everyone would notice at the first sight.
